VOTE FOR 1	
Non Partisan	
Frank Lojko	
Kelly W. Blake	
Wes Swaney	
Dale J. Ure	
HURRICANE VALLEY FIRE SPECIAL SERVICE DISTRICT	
PROPOSITION 1	
<p>The Hurricane Valley Fire District has considered two funding options; a bill sent to all property owners every month or an annual property tax levy. Monthly bills would require an estimated \$198,000.00 in addition to the district's operational budget to administer. A property tax levy requires truth in taxation hearings and voter approval at no additional collection expense. The Administrative Control Board supports a property tax levy over monthly billings.</p> <p>The purpose of the tax levy is to fund the capital improvements and operation and maintenance of the Hurricane Valley Fire District. The Administrative Control Board of the Hurricane Valley Fire District will have the power to establish the budget of the District. The budget will be funded by the tax levy known as the Hurricane Valley Fire Special Service District Tax. This tax is projected to be less than .0016 per dollar of taxable property in the District and may not exceed that amount without voter approval. That would mean that if your property had a taxable value of \$100,000.00, the maximum tax levy allowed would be \$160.00.</p> <p>Should the Hurricane Valley Fire Special Service District levy an annual tax on taxable property located within the boundaries of the Hurricane Valley Fire District in place of a monthly bill sent to all property owners?</p> <p>FOR _____</p> <p>AGAINST _____</p>
